

COVID-19 NOTICE

As more information is gathered, we are making whatever changes are recommended for the health and well-being of our community. At this time, should you be diagnosed with Covid-19 or if you have been exposed to someone who has been diagnosed with Covid-19, we are unable to allow your pet into daycare and/or boarding. While there is absolutely no evidence that Covid-19 is transferrable to animals, there is a remote possibility of the animal carrying the virus on their body into the facility. We thank all of you for your continued patronage and understanding during this difficult time. We look forward to seeing all of our furry friends as soon as this situation is resolved.
