

It's a bird, it's a plane.....it's Super Dog!!!

It's that spooky time of year! It's not just our furry friends going stir crazy during Covid, we know kids need a break too! So join us here at It's A Dog's Life where all your little ghosts and goblins are invited to come show us their best tricks, & get some good treats! We will be open extended hours on Saturday, October 31, 2020 from 6-8 p.m. Gift certificates will be given out to anyone who brings their pet dressed up for Halloween, as well as special nummies for our furry friends – and of course lots of candy for the kiddies!!!
